Qurban Efforts in 21 Countries

We monitor the 'halal' slaughtering process of the Qurban to ensure the humane treatment of the animals and a healthy meat product. As part of our effort to provide quality food distribution to the world's most needy communities. We source livestock according to Islamic specifications. This ensures sustainability and the selection of non-diseased animals.

► Purpose of the Project and Expectations

Global Ehsan Relief has been geared to help deprived and most needy people who are also target groups of this project such as orphans, refugees, IDPs and extremely poor people.

The main purpose of this Project was to assist orphans, destitute children, widows, refugees or the poor struggling to survive for their bread and butter. Through this program a substantial number of poor people were supplied with meat.

► How Our Qurban Projects Helped

Our Qurban project this year also targeted the following inside Syria and Somaliland as they were considered most in need and required much attention.

- Internally displaced families
- Camps of displaced families due to continuous conflict and draught
- Recently displaced families and individuals
- Very poor and needy villages surrounding the major cities who are not being targetted by other NGO's

With your support and Du'as the poor people of different countries were able to enjoy Qurban meat on the day of Eid-ul Adha.

We pray that the Almighty rewards all of you in abundance both in this world and the hereafter.

Syukran & Jazakallah for your support and contributions.
